Dear Supervisors:

ISSUANCE AND SALE OF MANHATTAN BEACH UNIFIED SCHOOL DISTRICT ELECTION OF 2008 GENERAL OBLIGATION BONDS, 2009 SERIES A (FOURTH DISTRICT) (3 VOTES)

SUBJECT

The governing board of the Manhattan Beach Unified School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$40,000,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance capital improvements to various school facilities. Repayment of the bonds will be funded from the proceeds of ad valorem taxes levied on all taxable property within the District.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the resolution authorizing the issuance and sale of the Manhattan Beach Unified School District (Los Angeles County, California) Election of 2008 General Obligation Bonds, 2009 Series A.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On November 4, 2008, voters residing in the District approved a ballot measure authorizing the District to issue up to \$67,480,000 in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on April 15, 2009 and determined that the District needs to borrow funds in an

aggregate principal amount not to exceed \$40,000,000 to be used for authorized purposes. This will be the first issuance of bonds authorized under this ballot proposition.

Pursuant to Section 15100 et seq. of the California Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. The bonds are to be issued in the name and on behalf of the District by the County following receipt of the District's resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #1: Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions to provide investment in public school infrastructure within the County.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The resolution provides for the issuance of bonds at an interest rate not to exceed the maximum rate permitted by law. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the proposition. The term of the bonds will not exceed twenty-five (25) years.

The District is recommending a negotiated sale of the bonds to the underwriter, with participation by the Treasurer and Tax Collector in pricing the bonds. The District has selected E.J. De La Rosa & Co., Inc. as underwriter and the firm of Stradling Yocca Carlson & Rauth as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

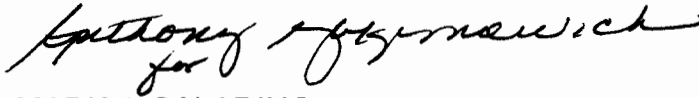

Not applicable.

Each Capital Appreciation Bond shall be dated, and shall accrete interest from, its date of initial issuance unless otherwise set forth in the Contract of Purchase. Capital Appreciation Bonds will not bear interest on a current basis.

Each Current Interest Bond shall be dated its date of delivery or such date as shall appear in the Contract of Purchase and in the Official Statement (the “Dated Date”), and shall bear interest from the Bond Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 15th day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before January 15, 2010, in which event it shall bear interest from its Dated Date. Interest on the Current Interest Bonds shall be calculated on the basis of 360-day year of twelve 30-day months.

The Bonds shall bear interest or accrete interest at a rate or rates such that the interest rate or maximum interest cost shall not exceed the maximum rate permitted by law. Interest shall be payable on the respective Bond Payment Dates.

The Capital Appreciation Bonds shall mature in the years and shall be issued in the aggregate Principal Amount set forth in the Contract of Purchase and the Official Statement and shall have an Accreted Rate and denominational amounts per each \$5,000 in Maturity Value as shown in the Accreted Value Table attached to the Official Statement; provided, that in the event that the amount shown in such Accreted Value Table and the Accreted Value caused to be calculated by the District, and approved by any Bond Insurer, by application of the definition of Accreted Value set forth in Section 4 differ, the latter amount shall be the Accreted Value of such Capital Appreciation Bond.

(b) Redemption.

(i) Optional Redemption. The Bonds shall be subject to optional redemption prior to maturity as provided in the Contract of Purchase and the Official Statement.

(ii) Mandatory Redemption. Any Bonds sold as Term Bonds shall be subject to mandatory sinking fund redemption from monies in the Debt Service Fund established in Section 11 hereof prior to their stated maturity date, at the Principal Amount or Accreted Value thereof, as applicable, without premium on each August 1, in the years and in the amounts as set forth in the Contract of Purchase and the Official Statement.

(iii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District, shall select Bonds for redemption as so directed and, if not directed, shall select the Bonds subject to redemption in inverse order of maturity. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Maturity Value thereof.

(iv) Notice of Redemption. When redemption is authorized or required pursuant to this Resolution, the Paying Agent, upon written instruction from the District in the case of an optional redemption, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption, the place or places where the redemption will be made, including the name and address of the Paying Agent, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and the original issue date, interest rate or Accretion Rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed, the redemption price thereof, together with the interest accrued or accreted to the redemption date, and that from and after such date, interest with respect thereto shall cease to accrue or accrete.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class, registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(v) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the District's Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 5(b)(i) and (ii) hereof, together with interest accrued to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue or accrete and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 5 shall be cancelled upon surrender thereof and be delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Paying Agent.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest

redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(c) Book-Entry System.

(i) Definitions. As used in this Section, the terms set forth below shall have the meanings ascribed to them:

“Nominee” means the nominee of the Depository, which may be the Depository, as determined from time to time pursuant to this Section.

“Participants” means those broker-dealers, banks and other financial institutions from time to time for which the Depository holds book-entry certificates as securities depository.

(ii) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination (except for any odd denomination Capital Appreciation Bond). The ownership of each such Bond shall be registered in the Bond Register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 5(c)(ii)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, Principal, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute owner of such book-entry Bond for the purpose of payment of Accreted Value or Principal of and premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all Accreted Value or Principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of Accreted Value or Principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or Principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new

nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 5(c).

3. Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Bonds are held in book-entry and registered in the name of the Nominee, all payments with respect to Accreted Value or Principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 5(c)(ii)(4)(A)(2) ("Substitute Depository"); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository designated by the District, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(1) or (2), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(3), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Maturity Value or Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Maturity Value or Principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the owners of the Bonds.

Section 6. Execution of Bonds. The Bonds shall be executed by the Chair of the Board of Supervisors of the County and the Treasurer by their manual or facsimile signatures and countersigned by the manual or facsimile signature of and the seal of the County affixed thereto by the Executive Officer-Clerk of the Board of Supervisors, all in their official capacities. No Bond

shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

Section 7. Paying Agent; Transfer and Exchange. This Board does hereby appoint the Treasurer to act as the Paying Agent performing the services of authenticating agent, bond registrar, transfer agent and paying agent for the Bonds. The Treasurer is authorized to contract with any third party to perform the services of Paying Agent under this Resolution.

So long as any of the Bonds remain Outstanding, the District will cause the Paying Agent to maintain and keep at its principal office the Bond Register as provided in this Section. Subject to the provisions of Section 8 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of this Resolution. Payment of or on account of the Principal or Accreted Value of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the principal office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If any Bond shall become mutilated, the County, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like series, tenor and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent, the County and the District satisfactory to the Paying Agent shall be given by the Owner, the County, at the expense of the Bond owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the County and the Paying Agent.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new

Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Bonds, the County shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District and the County may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District and the County may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. As requested by the County, written reports of the surrender and cancellation of Bonds shall be made to the District and the County by the Paying Agent. The cancelled Bonds shall be retained for two years, then destroyed by the Paying Agent.

Neither the District, the County nor the Paying Agent will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 15th day of the month next preceding any Bond Payment Date or 15th day preceding any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

Section 8. Payment. Payment of interest on any Current Interest Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Paying Agent for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount or Maturity Value of One Million Dollars (\$1,000,000) or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The principal, and redemption premiums, if any, payable on the Current Interest Bonds and the Accreted Value and redemption premiums, if any, on the Capital Appreciation Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Paying Agent. The interest, Accreted Value, Principal and premiums, if any, on the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are general obligations of the District and do not constitute an obligation of the County except as provided in this Bond Resolution. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

Section 9. Form of Bonds. The Bonds shall be in substantially the following form, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution and the Contract of Purchase.

SECTION 10. Delivery of Bonds. The proper officials of the County shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered to the original purchaser upon payment of the purchase price therefor.

SECTION 11. Deposit of Proceeds of Bonds. The proceeds from the sale of the Bonds paid to the County for the account of the District pursuant to the terms of the Contract of Purchase, shall be paid to the County to the credit of the fund hereby created and established and to be known as the "Manhattan Beach Unified School District, Election of 2008 General Obligation Bonds Series A Building Fund" (the "Building Fund") of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes authorized at the Election. The accrued interest and any premium received by the District from the sale of the Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the "Manhattan Beach Unified School District, Election of 2008 General Obligation Bonds Series A Debt Service Fund" (the "Debt Service Fund") for the Bonds and used only for payment of Accreted Value or Principal of, premium, if any, and interest on the Bonds. Except as required below to satisfy the requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"), interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the Accreted Value or Principal of and interest on the Bonds when due.

SECTION 12. Rebate Fund.

(a) The District shall create and establish a special fund designated the "Manhattan Beach Unified School District, Election of 2008 General Obligation Bonds Series A Rebate Fund" (the "Rebate Fund"). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the "Treasury Regulations"). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after payment of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and (ii) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than sixty (60) days after the payment of all Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 (or at such other address as is then designated by the Internal Revenue Service), on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the rebate requirement shall survive the payment in full or defeasance of the Bonds.

(j) Any of the foregoing provisions may be modified upon receipt of an opinion of nationally recognized bond counsel that such modification will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

SECTION 13. Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay the Accreted Value, Principal of, premium, if any, and interest on the Bonds when due, which monies when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the Accreted Value, Principal of, premium, if any, and interest on the Bonds when and as the same fall due. The Bonds are the general obligation bonds of the District and do not constitute an obligation of the County except as expressly provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds or the interest thereon.

SECTION 14. Tax and Arbitrage Covenants. The County acknowledges that the District has covenanted that it shall not take any action, or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds and that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

SECTION 15. Conditions Precedent. Based in part on representations of the District, this Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligation bonds of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the *ad valorem* taxes to be levied by the County on behalf of the District are pledged for the timely payment of the Accreted Value, Principal of and interest on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 16. Official Statement. The District has authorized preparation of a Preliminary Official Statement and Official Statement relating to the Bonds to be used in connection with the offering and sale of the Bonds in such time and manner as to conform with the requirements of Rule 15c2-12 of the Securities and Exchange Commission.

The District has further authorized the Underwriter to distribute copies of the Preliminary Official Statement and Official Statement to persons who may be interested in the purchase of the Bonds and deliver copies of any final Official Statement to the purchaser of the Bonds.

SECTION 17. Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal, interest or Accreted Value on the Bonds, it shall become the owner of such Bonds with the right to payment of principal, interest or Accreted Value on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal or Accreted Value, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer. The Paying Agent shall request payment pursuant to the terms of any bond insurance policy to the extent required to pay the Principal of and interest on the Bonds when due if amounts on deposit in the Debt Service Fund are not adequate for that purpose.

SECTION 18. Defeasance. All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, an amount of cash which together with amounts then on deposit in the Debt Service Fund is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal and interest and premium, if any; or

(b) Government Obligations: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, satisfactory to the County, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District and the County with respect to all such designated outstanding Bonds shall cease and terminate, except only the obligation of the County and the Paying Agent or an independent escrow agent selected by the District, and satisfactory to the County, to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or "prerefunded" municipal obligations rated in the highest rating category by Moody's Investors Service or Standard & Poor's. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed "AAA" by Standard & Poor's or "Aaa" by Moody's Investors Service.

SECTION 19. Amendments. (a) The County may from time to time (which may be at the request of the District, made in writing), and at any time, without notice to or consent of any of the Owners, by action of the Board, amend the provisions of this Resolution for any of the following reasons:

(1) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provision with respect to matters or questions arising under this Resolution, provided that such action shall not adversely affect the interests of the Bond owners;

(2) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Resolution which are not contrary to or inconsistent with this Resolution as theretofore in effect; and

(3) to modify, alter, amend or supplement this Resolution in any other respect which is not materially adverse to the Bond owners.

In the event of any such amendment, the County shall promptly provide the District and the Paying Agent with copies of such amendment and the action of the Board approving such amendment.

(b) This Resolution, and the rights and obligations of the County, the District and of the Owners of the Bonds issued hereunder, may be modified or amended by a supplemental resolution with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District; provided, however, that no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount or Accreted Value of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. Notwithstanding anything herein to the contrary, no such consent shall be required

if the Owners are not directly and adversely affected by such amendment or modification.

(c) Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the County or the District or any officer or agent of either from taking any action pursuant thereto.

(d) Notwithstanding any other provision herein, the provisions of this Resolution as they relate to the terms of the Bonds may be amended by the Contract of Purchase and the Official Statement.

SECTION 20. Other Actions. Officers of the Board and County officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 21. Continuing Disclosure. The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Any Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. The failure of the District to comply with the Continuing Disclosure Certificate shall not constitute a default hereunder nor shall any Owner be permitted to monetary damages for failure of the District to comply.

SECTION 22. Unclaimed Funds. Notwithstanding any other provisions of this Resolution, any monies held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the Principal of, redemption premium, if any, interest or Accreted Value on the Bonds and remaining unclaimed for one year after the principal of all of the Bonds have become due and payable (whether by maturity or upon prior redemption) shall be, after payment in full of the Bonds, transferred to the general fund of the District to be applied in accordance with law; provided, however, that the Paying Agent, before making such transfer, shall cause notice to be mailed to the Owners of all Bonds that have not been paid, by first-class mail at the addresses on the Bonds Register, postage prepaid, no less than 90 days prior to the date of such transfer. Thereafter, the District shall have all responsibility and liability for the payment of such Bonds.

SECTION 23. Effective Date. This Resolution shall take effect immediately upon its passage.

The undersigned, E. J. This offer is made subject to the written acceptance of this Contract of Purchase by the County and the District and delivery of such acceptance to the Underwriter at its office specified in Section 13 below prior to 11:59 p.m., California Time, on the date hereof.

1. Purchase and Sale of the Bonds. Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriter for such purpose, all (but not less than all) of \$(AMOUNT) in aggregate initial amount of the District's Election of 2008 General Obligation Bonds, 2009 Series A (the "Bonds"), which consist of \$_____ of Series A Capital Appreciation Bonds as specified in Exhibit A hereto. The Bonds shall accrete interest at the rates, and shall mature in the principal amounts and in the years shown on Appendix A hereto, which is incorporated herein by this reference. The Series A Capital Appreciation Bonds are dated the date of delivery and accrete interest from such date, compounded semiannually on _____ 1 and _____ 1 of each year, commencing August 1, 2009, which accreted interest is payable only at maturity. A table of accreted values for the Series A Capital Appreciation Bonds is shown on Appendix A hereto, which is incorporated herein by this reference.

2. The Bonds. The Bonds shall be issued in the form of Capital Appreciation Bonds, shall be dated their date of delivery and are subject to redemption as set forth in Appendix A hereto. In all other respects the Bonds shall be as described in, and shall be issued and secured pursuant to the provisions of the Resolution of the District adopted on April 15, 2009 (the "District Resolution") and the Resolution of the Board of Supervisors of the County adopted _____, 2009 (the "County

Resolution” and collectively with the District Resolution, the “Resolutions”), Chapter 1.5 of Part 10 of Division 1 of Title 1 of the California Education Code commencing with Section 15264 (the “Act”) and paragraph (3) of subdivision (b) of Article XIII A of the California Constitution. All capitalized terms used herein without definition shall have the meanings given to them in the County Resolution.

The Bonds shall be executed and delivered under and in accordance with the provisions of this Contract of Purchase and the Resolutions. The Bonds shall be in book-entry form, shall bear CUSIP numbers, shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”); the Bonds shall initially be in authorized denominations of \$5,000 principal amount or any integral multiple thereof.

3. Use of Documents. The District and the County hereby authorize the Underwriter to use, in connection with the offer and sale of the Bonds, this Contract of Purchase and an Official Statement (defined below), the Resolutions and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriter in connection with the transactions contemplated by this Contract of Purchase.

4. Public Offering of the Bonds. The Underwriter agrees to make a bona fide public offering of all the Bonds at the initial public offering price or yield set forth in Appendix A and to be set forth on the cover page of the Official Statement. Subsequent to such initial public offering, the Underwriter reserves the right to change such initial public offering price or yield as it deems necessary in connection with the marketing of the Bonds.

5. Review of Official Statement. The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated _____, 2009 (the “Preliminary Official Statement”). The District represents that it has deemed the Preliminary Official Statement to be final, except for either revisions or additions relating to the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the “Rule”).

The Underwriter agrees that prior to the time the final Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be provided electronically or be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received. The Underwriter agrees that it will deliver a printed copy of the final Official Statement to each purchaser of the Bonds as required by the Rule. The Underwriter agrees that, within 10 days after the Closing (as defined below), it will file a copy of the Official Statement with the Municipal Securities Rulemaking Board.

6. Closing. At 8:00 a.m., California Time, on _____, 2009, or at such other time or on such other date as shall have been mutually agreed upon by the Underwriter, the County and the District (the “Closing”), the County and the District shall cause to be delivered to the Underwriter, at the offices of The Depository Trust Company (“DTC”) in New York, New York, or at such other place as the parties hereto may mutually agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and at the offices of

Stradling Yocca Carlson & Rauth, a Professional Corporation, Bond Counsel, in Newport Beach, California, the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the net purchase price thereof, of \$_____ (being equal to the aggregate initial amount of the Bonds, plus original issue premium of \$_____, less an Underwriter's discount of \$_____ and less the costs of issuance of \$_____ to be paid by the Underwriter from the original issue premium) in immediately available funds by check or wire transfer to the County.

7. Representations, Warranties and Agreements of the District. The District hereby represents, warrants and agrees with the Underwriter that:

(a) Due Organization. The District is a public instrumentality duly organized and validly existing under the laws of the State of California, with the power to cause the Bonds to be issued by the County on its behalf pursuant to the Act.

(b) Due Authorization. (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to enter into this Contract of Purchase and the Continuing Disclosure Certificate, to adopt the District Resolution, to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Contract of Purchase, the Continuing Disclosure Certificate and the District Resolution; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds, the District Resolution, the County Resolution, the Continuing Disclosure Certificate and this Contract of Purchase have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Contract of Purchase and the Continuing Disclosure Certificate constitute valid and legally binding obligations of the District; (v) the District has duly authorized the consummation by it of all transactions contemplated by this Contract of Purchase and the Continuing Disclosure Certificate; and (vi) no statutory or constitutional limitation on indebtedness or taxation will be exceeded in issuing the Bonds.

(c) Consents. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds, the execution and delivery of this Contract of Purchase and the Continuing Disclosure Certificate, the adoption of the District Resolution or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(d) No Conflicts. To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of this Contract of Purchase, the Continuing Disclosure Certificate, the District Resolution and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the District a violation of or default under the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

(e) Litigation. Except as described in the Preliminary Official Statement, as of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending in which service of process has been completed against the District, or to the best knowledge of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or of the titles of the officials of the District to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of the tax revenues pledged or to be pledged or available to pay the principal of and interest on the Bonds, or the pledge thereof, or the levy of any taxes contemplated by the Resolutions or in any way contesting or affecting the validity or enforceability of the Bonds, this Contract of Purchase, the Continuing Disclosure Certificate or the Resolutions or contesting the powers of the District or the County under the Resolutions or this Contract of Purchase; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Contract of Purchase or the Resolutions, (b) declare this Contract of Purchase or the Continuing Disclosure Certificate to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(f) No Other Debt. Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District directly, nor the County on behalf of the District at the District's request, will have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

(g) Compliance with Internal Revenue Code. The District will comply with the applicable provisions of the Internal Revenue Code of 1986, as amended, with respect to the Bonds.

(h) Certificates. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

(i) Continuing Disclosure. At or prior to the Closing, the District shall have duly authorized, executed and delivered the Continuing Disclosure Certificate. The Continuing Disclosure Certificate shall comply with the provisions of Rule 15c2-12(b)(5) and be substantially in the form attached to the Official Statement in Appendix D. Within the past five years, the District has never failed to comply in all material respects with any of its previous undertakings under the Rule.

(j) Official Statement. As of its date, the Preliminary Official Statement did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the date hereof, the Final Official Statement did not, and as of the Closing Date it will not, contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the District makes no representation or warranty as to the information contained in or omitted from the Preliminary Official Statement or the Final Official Statement in reliance upon and in conformity with information furnished in writing to the District by or on behalf of the Underwriter through a representative of the Underwriter specifically for inclusion therein or as to the information therein relating to DTC and its book-entry system or as to CUSIP numbers.

(k) Levy of Tax. The District hereby agrees to take any and all actions as may be required by the County or otherwise necessary in order to arrange for the levy and collection of taxes, payment of the Bonds, and the deposit and investment of Bond proceeds. In particular, the District hereby agrees to provide to the County Auditor and the County Treasurer-Tax Collector a copy of the District Resolution, a copy of Appendix A hereto, and the full debt service schedule for the Bonds, in accordance with Education Code Section 15140(c) and policies and procedures of the County.

8. Representations, Warranties and Agreements of the County. The County hereby represents, warrants and agrees with the Underwriter that:

(a) Due Organization. The County is a political subdivision duly organized and validly existing under the laws of the State of California, with the power to issue the Bonds on behalf of the District pursuant to the Act.

(c) Consents. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, or which have not been taken or obtained; except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request, provided, however, that the County shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(d) No Conflicts. To the best knowledge of the County, the issuance of the Bonds, the execution, delivery and performance of this Contract of Purchase, the County Resolution and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the County a violation of or default under the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party or by which it is bound or to which it is subject.

(e) Litigation. Except as described in the Preliminary Official Statement, as of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending in which service of process has been completed against the County, or to the best knowledge of the County, threatened against the County: (i) in any way affecting the existence of the County or in any

way challenging the respective powers of the several offices or of the titles of the officials of the County to such offices; (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of the tax revenues pledged or to be pledged or available to pay the principal of and interest on the Bonds, or the pledge thereof, or the levy of any taxes contemplated by the Resolutions, or in any way contesting or affecting the validity or enforceability of the Bonds, this Contract of Purchase or the County Resolution or contesting the powers of the County or its authority with respect to the Bonds, the County Resolution or this Contract of Purchase; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County or the consummation of the transactions contemplated by this Contract of Purchase or the Resolutions, or (b) declare this Contract of Purchase to be invalid or unenforceable in whole or in material part.

(f) No Other Debt. Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

(g) Arbitrage Certificate. The County has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the County is a bond issuer whose arbitrage certificates may not be relied upon.

(h) Certificates. Any certificates signed by any officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

(i) Official Statement Accurate and Complete. The section of the Preliminary Official Statement entitled "Los Angeles County Investment Pool," at the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the date hereof and on the Closing Date, the section of the Final Official Statement entitled "Los Angeles County Investment Pool" did not and will not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

9. Covenants of the County and the District. The County and the District covenant and agree with the Underwriter that:

(a) Securities Laws. The District will furnish such information, execute such instruments, and take such other action in cooperation with, and at the expense of, the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions, provided, however, that the District shall not be required to consent to service of process in any jurisdiction in which it is not so subject as of the date hereof;

(b) Application of Proceeds. The District will apply the proceeds from the sale of the Bonds for the purposes specified in the District Resolution;

(c) Official Statement. The District will deliver or cause to be delivered (and the County agrees to cooperate with the District in connection with such delivery) to the Underwriter,

not later than the seventh (7th) business day following the date this Contract of Purchase is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being called the "Official Statement") in such reasonable quantities as may be requested by the Underwriter not later than five (5) business days following the date this Contract of Purchase is signed, in order to permit the Underwriter to comply with paragraph (b)(4) of the Rule and with the rules of the Municipal Securities Rulemaking Board. The District hereby authorizes the Underwriter to use and distribute the Official Statement in connection with the offering and sale of the Bonds;

(d) Subsequent Events. The District hereby agrees to notify the Underwriter of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is twenty-five (25) days following the Closing;

(e) Amendments to Official Statement. For a period of twenty-five (25) days after the End of the Underwriting Period (as defined below), the District will amend or supplement the Official Statement in any manner necessary to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to a purchaser, and (at the expense of the District) shall deliver a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance reasonably satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading. As used herein, the term "End of the Underwriting Period" means the later of such time as (i) the Bonds are delivered to the Underwriter, or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the End of the Underwriting Period shall be deemed to be the date of the Closing. Any notice delivered pursuant to this provision shall be written notice delivered to the District at or prior to the Closing, and shall specify a date (other than the date of Closing and not more than 90 days after the Closing) to be deemed the "End of the Underwriting Period."

10. Conditions to Closing. The Underwriter has entered into this Contract of Purchase in reliance upon the representations and warranties of the County and the District contained herein and the performance by the County and the District of their obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriter's obligations under this Contract of Purchase are and shall be subject at the option of the Underwriter, to the following further conditions at the Closing:

(a) Representations True. The representations and warranties of the County and the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and each of the County and the District shall be in compliance with each of the agreements made by it in this Contract of Purchase;

(b) Obligations Performed. At the time of the Closing, (i) the Official Statement, this Contract of Purchase, the District Resolution and the County Resolution shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter; (ii) all actions under the Act which, in the opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, bond counsel ("Bond Counsel"), shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the County and the District shall perform or have performed all of their obligations required under or specified in the District Resolution, the County Resolution, this Purchase Agreement, the Continuing Disclosure Certificate and the Official Statement to be performed at or prior to the Closing;

(c) Adverse Rulings. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Contract of Purchase (and not reversed on appeal or otherwise set aside), or to the best knowledge of the County or the District, be threatened which has any of the effects described in Section 7(e) or 8(e) hereof or contesting in any way the completeness or accuracy of the Official Statement;

(d) Marketability. Between the date hereof and the Closing, the market price or marketability or the ability of the Underwriter to enforce contracts for the sale of the Bonds, at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected in the reasonable judgment of the Underwriter (evidenced by a written notice to the County and the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

(1) legislation enacted or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court established under Article III of the Constitution of the United States or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made:

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service, with the purpose or effect, directly or indirectly, of causing inclusion in gross income for purposes of federal income taxation of the interest received by the owners of the Bonds; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

(2) the declaration of war or engagement in major military hostilities by the United States or the occurrence of any other national emergency or calamity relating to the effective operation of the government or the financial community in the United States;

(3) the declaration of a general banking moratorium by federal, New York or California authorities, or the general suspension of trading on any national securities exchange;

FORM OF OPINION OF COUNTY COUNSEL

**§[AMOUNT]
MANHATTAN BEACH UNIFIED SCHOOL DISTRICT
COUNTY OF LOS ANGELES, CALIFORNIA
ELECTION OF 2008 GENERAL OBLIGATION BONDS, 2009 SERIES A**

(Introduction)

Ladies and Gentlemen

This opinion is rendered as counsel to the County of Los Angeles (the "County") in connection with the issuance by the Manhattan Beach Unified School District (the "District") of its Election of 2008 General Obligation Bonds, 2009 Series A in the aggregate principal amount of \$_____ ("Bonds"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County adopted on _____, 2009 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted by the Board of Trustees of the District on April 15, 2009 (the "District Resolution").

In rendering this opinion, we have examined the County Resolution and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and existing pursuant to the Constitution and the laws of the State of California.

2. The County Resolution approving and authorizing the execution and delivery of the Contract of Purchase and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption, has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof.

3. There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending, in which service of process has been completed on the County, or, to the best knowledge of the County, threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective officers; (b) seeking to prohibit, restrain or enjoin the execution of the Contract of Purchase or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Contract of Purchase, or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Contract of Purchase; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

4. The Contract of Purchase has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Contract of Purchase will constitute the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed, enforcement of the rights and obligations under the County Resolution, the Contract of Purchase and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Contract of Purchase or the Bonds.

C. **PRESENTATION/DISCUSSION ITEMS**

2. **TITLE:** Approve Resolution No. 2009-13 Authorizing the Issuance of General Obligation Bond Anticipation Notes, Elections of 2008 General Obligation Bonds, Series A, and Actions Related Thereto

BACKGROUND: At the April 1, 2009 regularly scheduled board meeting, the law firm of Stradling Yocca Carlson and Rauth was approved to serve as bond counsel. The resolution validates the key elements related to the Measure BB 2008 election that have been previously approved. This validation of previous actions will help remind the board and community of the actions recently taken including, but not limited to, the election date, the bond amount of \$67,480,000, the intent of the board to sell bonds, and that the board may choose financing plans that involve Bond Anticipation Notes and/or General Obligation Bonds. It also restates that proceeds from the bond sale will be used to pay off debt and modernize Mira Costa High School.

ACTION RECOMMENDED: Approve Resolution No. 2009-13 authorizing the issuance of General Obligation Bond Anticipation Notes, Elections of 2008 General Obligation Bonds, Series A, and Actions Related Thereto.

PREPARED BY: Dr. Steve Romines, Assistant Superintendent

DATE OF BOARD MEETING: April 15, 2009

WHEREAS, the renewal of a Note may not be issued after the sale of the series of Bonds in anticipation of which the original Notes were issued, and the total amount of the Notes or renewals thereof issued and outstanding may not at any time exceed the total amount of the unsold Bonds;

WHEREAS, any renewal of the Notes shall be payable not later than five years after the date of their issue, and such Notes or renewals thereof are payable from the proceeds of the sale of the Bonds or any Renewal Notes, or from other funds of the District lawfully available for the purpose of repaying the Notes, including State grants;

WHEREAS, interest on the Notes and any Renewal Notes also shall be payable from proceeds of the sale of the Bonds, or from the *ad valorem* tax lawfully levied to pay principal of and interest on the Bonds; and

WHEREAS, at this time, the Board has determined that the first series of Notes (the "2009 Notes") will be issued to prepay all lease payments related to the 2002 Certificates to prepay all or a portion of lease payments coming due within the next three years related to the 2002 Certificates and to fund certain costs related to the rehabilitation of Mira Costa High School; and

WHEREAS, the Series A Bonds shall be issued by the Board of Supervisors of the County on behalf of the District pursuant to Chapter 1.5 of Part 10 of Division 1 of Title 1 (commencing with Section 15264 *et seq.*) of the California Education Code;

WHEREAS, the District desires to establish the Building Fund (defined herein) into which proceeds of the Notes and proceeds of the Series A Bonds will be deposited; and

WHEREAS, the District desires to establish the Debt Service Fund (defined herein) into which there will be deposited any premium received by the District from the proceeds of the Notes, any Renewal Notes, or the Series A Bonds issued to repay the Notes, and any proceeds of the *ad valorem* tax levied to pay the principal of and interest on the Series A Bonds, as described herein;

WHEREAS, there has been presented to this Board the form of a Note Purchase Contract to be entered into between E.J. De La Rosa & Co., Inc. (the "Note Underwriter") and the District with respect to the sale of each series of the Notes (the "Note Purchase Contract") and the form of a Bond Purchase Contract to be entered into between E.J. De La Rosa & Co., Inc and any additional underwriters selected as set forth in Section 10 (together, the "Bond Underwriter") with respect to the sale of the Series A Bonds; and

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation bonds of the District, and the indebtedness of the District, including the issuance of Notes and the Series A Bonds as authorized herein, is within all limits prescribed by law;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Manhattan Beach Unified School District, as follows:

Section 1. Authorization of Issuance of Notes and Series A Bonds and Terms Thereof.

(A) The Board hereby determines to and authorizes the issuance of one or more series of Notes, including the 2009 Notes which shall be issued for the purposes authorized at the Bond Election, including prepaying all or a portion of the lease payments related to the 2001 Certificates and the 2002 Certificates and rehabilitating Mira Costa High School, in an aggregate principal amount not to exceed \$25,000,000 under Section 15150 of the Act, designated “[Year] Manhattan Beach Unified School District, Los Angeles County, State of California, General Obligation Bond Anticipation Notes”; to be numbered 1 (and consecutively upward in order of issuance if more than one Note is registered); to be in the denominations of \$5,000, or integral multiples thereof, to be dated the date of delivery thereof; to mature (with or without the option of prior redemption as set forth in the Note Purchase Contract for such series of Notes) on one or more dates set forth in the Note Purchase Contract within a period not to exceed five years from the date of delivery and on a day on which banks in New York or California are open for business; and to bear interest, payable on one or more dates specified in the Note Purchase Contract computed on a 30-day month/360-day year basis, at the rate or rates determined at the time of sale thereof, but not in excess of the maximum rate per annum allowed by law. Both the principal of and interest on the Notes shall be payable, only upon surrender thereof, in lawful money of the United States of America at the principal office of U.S. Bank National Association, or another trust company selected by an Authorized Officer at the time a series of Notes is issued (the “Paying Agent”), which is hereby designated as the paying agent on the Notes. For purposes of the Notes, the Paying Agent shall be deemed to be a “fiscal agent” within the meaning of Section 53601 of the Government Code of the State of California. This Board hereby approves the appointment of The Bank of New York Mellon Trust Company as its agent for purposes of acting as the Paying Agent, unless and until a replacement Paying Agent is selected by an Authorized Officer, and the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable.

(B) To raise money for the purposes authorized by voters of the District at the Election, to pay the principal and interest due on the Notes, if any are issued prior to the sale of the Series A Bonds, and to pay all necessary legal, financial and contingent costs in connection with the issuance of the Series A Bonds, this Board hereby petitions the Board of Supervisors of the County to authorize the issuance of the Series A Bonds and to order such Series A Bonds sold at a negotiated sale such that the Series A Bonds shall be dated as of a date to be determined by said Board of Supervisors, shall bear interest at a rate not to exceed that authorized at the Election, and shall be payable upon such terms and provisions as shall be set forth in the Series A Bonds, and shall be in an aggregate principal amount not to exceed \$40,000,000. The Board estimates that the costs associated with the issuance of the Series A Bonds, including compensation to the Bond Underwriter and any such costs which the Bond Underwriter agrees to pay pursuant to the Purchase Contract, will equal approximately 2.5% of the principal amount of the Series A Bonds. This Board does hereby consent to the appointment by the Treasurer-Tax Collector of the County of an agent to perform the services as the Paying Agent for the Series A Bonds, and further authorizes each Authorized Officer to appoint a replacement Paying Agent from time to time if determined to be in the best interest of the District. The District acknowledges that ongoing expenses and fees of the Paying Agent and all other fees and costs incurred in connection with the Series A Bonds will be paid by the District.

(C) All or a portion of the Notes may be issued prior to or after the issuance of the Series A Bonds.

Section 2. Form of Notes. The Notes shall be issued in registered form and shall be substantially in the form and substance set forth in Exhibit A attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures. The Notes may be initially registered in the name of "Cede & Co." as nominee of The Depository Trust Company, and shall be evidenced by one note in the aggregate principal amount of the Notes. Whenever any Note or Notes shall be surrendered for registration or transfer, the Paying Agent shall execute and deliver a new Note or Notes, for a like aggregate principal amount. The Paying Agent shall require the Note owner requesting such registration of transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. The District may require the owner requesting such registration of transfer to pay such additional reasonable charge as may be necessary to cover customary expenses incurred and fees charged by the Paying Agent with respect to such registration of transfer. The Paying Agent may treat the registered owner of any Note as the absolute owner thereof for all purposes whatsoever in accordance with this Resolution, and the Paying Agent shall not be affected by any notice to the contrary.

Section 4. Use of Depository.

(1) The Notes may be initially registered as provided in Section 2 hereof. In such event, registered ownership of the Notes, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of Cede & Co., as nominee of The Depository Trust Company, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section 4 (a "substitute depository"); provided, that any successor of Cede & Co., as nominee of The Depository Trust Company or a substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the Paying Agent, upon (1) the resignation of The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for The Depository Trust Company (or its successor) because The Depository Trust Company or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of The Depository Trust Company or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the District to remove The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository.

(2) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (1) of this Section 4, upon receipt of the outstanding Notes by the Paying Agent, together with a request of the District, to the Paying Agent, a new Note shall be executed and delivered in the aggregate principal amount of the Notes registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such request of the District. In the case of any transfer pursuant to clause (iii) of subsection (1) of this subparagraph (d), upon receipt of the outstanding Notes by the Paying Agent together with a request of the District to the Paying Agent, new Notes shall be executed and delivered in such denominations numbered in the manner determined by the Paying Agent and registered in the names of such persons as are requested in such a request of the District. Thereafter, Notes shall be transferred pursuant to Section 3 hereof.

(3) The District and the Paying Agent shall be entitled to treat the person in whose name any Note is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communication with, notifying, or otherwise dealing with any beneficial owners of the Notes and neither the District nor the Paying Agent will have any responsibility or obligations, legal or otherwise, to the beneficial owners or to any other party, including The Depository Trust Company or its successor (or substitute depository or its successor), except for the owner of any Notes.

(4) So long as the outstanding Notes are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered owner, or its registered assigns in effecting payment of the principal of and interest on the Notes by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 5. Deposit of Note Proceeds; No Arbitrage. The proceeds from the sale of the Notes, to the extent of the principal amount thereof, shall be paid to the Treasurer and Tax Collector of the County (the "Treasurer") to the credit of the fund hereby created and established and to be known as the "Manhattan Beach Unified School District General Obligation Bond and Bond Anticipation Note Building Fund" (the "Building Fund") of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Notes and Series A Bonds are being issued, provided that such proceeds shall be applied solely to authorized purposes of the Bond Election. Any accrued interest and any premium received by the Treasurer from the sale of the Notes and the Series A Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the "Manhattan Beach Unified School District General Obligation Bond and Bond Anticipation Note Debt Service Fund" (the "Debt Service Fund") and shall be used only for payment of principal of and interest on the Notes or the Series A Bonds. Any proceeds of Renewal Notes received by the District and other funds of the District lawfully available for the purpose of repaying the Notes and any Renewal Notes shall be deposited into the Debt Service Fund and shall be applied to pay the principal of and interest due on the Notes or Renewal Notes, as applicable. So long as the Notes and any Renewal Notes are outstanding, amounts in the Debt Service Fund are irrevocably pledged to the repayment of the Notes, any Renewal Notes and the Series A Bonds, and the interest thereon and thereafter to the repayment of the Series A Bonds. Interest earnings on moneys held in the Building Fund shall be retained in the Building Fund. Interest earnings on moneys held in the Debt Service Fund shall be retained in the Debt Service Fund. Any excess proceeds of the Notes not needed for the authorized purposes set forth herein for which the Notes are being issued shall be transferred to the Debt Service Fund and applied to the payment of principal of and interest on the Notes.

Upon the issuance of the Series A Bonds, all accrued interest and premium received by the District from the sale of the Series A Bonds and other proceeds of the Series A Bonds to be applied to repay the Notes and any Renewal Notes shall be deposited into the Debt Service Fund and be applied to pay the principal of and interest due on the Notes, any Renewal Notes and thereafter any Series A Bonds. After the issuance of the Series A Bonds, the Debt Service Fund shall remain in effect and amounts therein shall be applied to pay the principal of and interest on the Series A Bonds when due.

If, after payment in full of the Series A Bonds, there remain excess proceeds in the Debt Service Fund or the Building Fund, any such excess amounts shall be transferred to the General Fund of the District.

The District hereby covenants that it will make no use of the proceeds of any Tax-Exempt Notes (as defined in Section 6 below) or the Series A Bonds that would cause the Tax-Exempt Notes or the Series A Bonds to be "arbitrage bonds" under Section 148 of the Code; and, to that end, so long as any of the Tax-Exempt Notes are outstanding, the District, and all of its officers having custody or control of such proceeds, shall comply with all requirements of said section, including restrictions on the use and investment of proceeds of the Tax-Exempt Notes and the Series A Bonds and the rebate of a portion of investment earnings on certain amounts, including proceeds of the

Notes or the Series A Bonds, if required, to the Federal government, and of the Income Tax Regulations of the United States Treasury promulgated thereunder or under any predecessor provisions, to the extent that such regulations are, at the time, applicable and in effect, so that the Tax-Exempt Notes and the Series A Bonds will not be “arbitrage bonds.”

Furthermore, the District will not make any use of the proceeds of the Tax-Exempt Notes or the Series A Bonds or any other funds of the District, or take or omit to take any other action, that would cause the Tax-Exempt Notes or the Series A Bonds to be “private activity bonds” within the meaning of Section 141 of the Code or “federally guaranteed” within the meaning of Section 149(b) of the Code. To that end, so long as any Tax-Exempt Notes or the Series A Bonds are unpaid, the District, with respect to such proceeds and such other funds, will comply with all requirements of such Sections and all regulations of the United States Department of the Treasury issued thereunder and under Section 103 of the Internal Revenue Code of 1986, as amended, to the extent such requirements are, at the time, applicable and in effect.

The District will not use or permit the use of its facilities or any portion thereof by any person other than a governmental unit as such term is used in Section 141 of the Code, in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of the interest paid on the Tax-Exempt Notes or the Series A Bonds. In furtherance of the foregoing tax covenants of this Section 5, the District covenants that it will comply with the instructions and requirements of the Tax Certificate to be executed and delivered by the District on the date of issuance of any Tax-Exempt Notes or the Series A Bonds, which is incorporated herein as if fully set forth herein. These covenants shall survive the payment in full or defeasance of any Tax-Exempt Notes or the Series A Bonds.

If required by the Tax Certificate executed upon the issuance of a series of Tax-Exempt Notes and the Series A Bonds, the District will establish with the County a Rebate Fund for purposes of paying any rebate owed under the Code.

Section 6. Investment of Proceeds of the Notes.

(i) Definitions. As used in this Section, the terms set forth below shall have the meanings ascribed to them:

“Code” means the Internal Revenue Code of 1986, as amended.

“Fair Market Value” means the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Code) and, otherwise, the term “Fair Market Value” means the acquisition price in a bona fide arm's length transaction (as referenced above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Code, (iii) the investment is a United States Treasury Security—State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt, or (iv) any commingled investment

fund in which the District and related parties do not own more than a ten percent (10%) beneficial interest therein if the return paid by the fund is without regard to the source of the investment.

“Non-AMT Bonds” means obligations the interest on which is excludable from gross income for federal income tax purposes under Section 103(a) of the Code and not treated as an item of tax preference under Section 57(a)(5)(C) of the Code, that are legal investments pursuant to Section 53601 of the Government Code.

“Permitted Investments” means (i) any lawful investments permitted by Section 16429.1 and Section 53601 of the Government Code, including Non-AMT Bonds and Qualified Non-AMT Mutual Funds, (ii) shares in a California common law trust established pursuant to Title 1, Division 7, Chapter 5 of the Government Code which invests exclusively in investments permitted by Section 53635 of the Government Code, but without regard to any limitations in such Section concerning the percentage of moneys available for investment being invested in a particular type of security, (iii) a guaranteed investment contract with a provider rated in at least the second highest category by each rating agency then rating the Bonds and approved by the Bond Insurer, if any, (iv) the Local Agency Investment Fund of the California State Treasurer, and (v) the investment pool maintained by the Treasurer, and (vi) State and Local Government Series Securities.

“Qualified Non-AMT Mutual Fund” means stock in a regulated investment company to the extent that at least 95% of the income of such regulated investment company is interest that is excludable from gross income under Section 103 of the Code and not an item of tax preference under Section 57(a)(5)(C) of the Code.

“Qualified Permitted Investments” means (i) Non-AMT Bonds, (ii) Qualified Non-AMT Mutual Funds, (iii) other Permitted Investments authorized by the Bond Insurer, if any, and an opinion of Bond Counsel to the effect that such investment would not adversely affect the tax-exempt status of the Notes, and (iv) Permitted Investments of proceeds of the Notes, and interest earned on such proceeds, held not more than thirty days pending reinvestment or Note redemption. A guaranteed investment contract or similar investment agreement (e.g., a forward supply contract, GIC, repo, etc.) does not constitute a Qualified Permitted Investment.

“Taxable Notes” means any Notes not issued as Tax-Exempt Notes.

“Tax-Exempt Notes” means any Notes the interest in which is excludable from gross income for federal income tax purposes and is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax, as further described in an opinion of Bond Counsel supplied to the original purchasers of such Notes.

(ii) Moneys in the Debt Service Fund and the Building Fund shall be invested at the written direction of the District, in Permitted Investments. If at the time of issuance the District determines to issue the Notes as Tax-Exempt Notes without regard to the Internal Revenue Code “temporary period” restrictions, all investment of Note proceeds shall be subject to paragraph (1) below; and the District, may provide for an agent to assist the County in investing funds pursuant to paragraph (1) below. If the District fails to direct the County or its agent, as the case may be, the County or its agent shall invest or cause the funds in the Building Fund to be invested in Qualified

Permitted Investments, subject to the provisions of paragraph (1) below, until such time as the District provides written direction to invest such funds otherwise. Neither the County nor its officers and agents, as the case may be, shall have any responsibility or obligation to determine the tax consequences of any investment. The interest earned on the moneys deposited to the Building Fund shall be applied as set forth in subparagraph (1)(C) below and interest earned on moneys deposited to the Debt Service Fund shall be applied as set forth in subparagraph (1)(D) below:

(1) Covenant Regarding Investment of Proceeds.

(A) Permitted Investments. Beginning on the delivery date, and at all times until expenditure for authorized purposes, not less than 95% of the proceeds of the Notes deposited in the Building Fund, including investment earnings thereon, will be invested in Qualified Permitted Investments which are rated in at least the second highest rating category by one of the two Rating Agencies. Notwithstanding the preceding provisions of this Section, for purposes of this paragraph, amounts derived from the disposition or redemption of Qualified Permitted Investments and held pending reinvestment or redemption for a period of not more than 30 days may be invested in Permitted Investments. The District hereby authorizes investments made pursuant to this Resolution with maturities exceeding five years.

(B) Recordkeeping and Monitoring Relating to Building Fund.

i. Information Regarding Permitted Investments. The District hereby covenants that it will record or cause to be recorded with respect to each Permitted Investment in the Building Fund the following information: purchase date; purchase price; information establishing the Fair Market Value of such Permitted Investment; face amount; coupon rate; periodicity of interest payments; disposition price; disposition date; and any accrued interest received upon disposition.

ii. Information in Qualified Non-AMT Mutual Funds. The District hereby covenants that, with respect to each investment of proceeds of the Notes in a Qualified Non-AMT Mutual Fund pursuant to paragraph (1)(A) above, in addition to recording, or causing to be recorded, the information set forth in paragraph (1)(B)(i) above, it will retain a copy of each IRS information reporting form and account statement provided by such Qualified Non-AMT Mutual Fund.

iii. Monthly Investment Fund Statements. The District covenants that it will obtain, at the beginning of each month following the delivery date, a statement of the investments in the Building Fund detailing the nature, amount and value of each investment as of such statement date.

iv. Retention of Records. The District hereby covenants that it will retain the records referred to in paragraph (1)(B)(i) and each IRS information reporting form referred to in paragraph (1)(B)(ii) with its books and records with respect to the Notes until six years following the last date that any obligation comprising the Notes is retired.

(C) Interest Earned on Permitted Investments. The interest earned on the moneys deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund.

(D) Except as required to satisfy the requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"), interest earned on the investment of moneys held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the principal of and interest on the Notes or the Series A Bonds when due.

Section 7. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from proceeds of the sale of any Renewal Notes or the Series A Bonds or from other funds of the District lawfully available for the purpose of repaying the Notes, including State grants. Interest on the Notes also shall be payable from the tax lawfully levied to pay principal of and interest on the Series A Bonds. The District covenants that prior to the maturity of the Notes it shall issue or cause to be issued either the Series A Bonds or Renewal Notes in an amount sufficient to pay the principal and interest due on the Notes.

(B) Issuance of Renewal Notes. In the event that the sale of the Series A Bonds does not occur prior to the maturity of the Notes, any one of the Authorized Officers, in order to repay the Notes then maturing, shall cause Renewal Notes to be issued for this purpose. The renewal of a Note may not occur after the sale of the series of Bonds in anticipation of which the Notes were issued.

The total amount of the Notes and Renewal Notes issued and outstanding may not at any time exceed the total amount of the unsold Bonds.

(C) Maximum Term of Renewal Notes. Any Renewal Notes shall be payable at a fixed time not more than five years from the date of the original issuance of the Notes.

Section 8. Execution of Notes. The President of the Board, or a designated deputy thereof, is hereby authorized to sign the Notes manually or by facsimile signature, and the Clerk of the Board of Trustees (the "Clerk") is hereby authorized to countersign the Notes manually or by facsimile signature and said officers are hereby authorized to cause the blank spaces thereof to be filled in as may be appropriate. No Note shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Note is manually signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Note so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

Section 9. Approval of the Sale of Notes, the Note Purchase Contract and Note Underwriter

(A) Each series of Notes shall be sold to the Note Underwriter at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Notes to fit the needs of particular

purchasers, and a greater opportunity for the Note Underwriter to pre-market the Notes to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The form of Note Purchase Contract, substantially in the form presented to this meeting and on file with the Clerk of this Board, is hereby approved.

(B) In connection with the sale of each series of the Notes, each of the Authorized Officers is hereby authorized to execute and deliver a Note Purchase Contract substantially in the form presented to this meeting, with such changes therein, deletions therefrom and modifications thereto as the officer executing the same may approve, such approval to be conclusively evidenced by his or her execution and delivery thereof; provided, however, that the maximum interest rate on the Notes shall not exceed the maximum rate per annum allowed by law and the Note Underwriter's discount with respect to the Notes, excluding original issue discount and costs of issuance to be paid by the Note Underwriter, shall not exceed 1.0% of the principal amount of the Notes. The Authorized Officers, each alone, are hereby further authorized to determine the maximum principal amount of each series of Notes to be specified in the Note Purchase Contract, up to an aggregate principal amount for all Notes of not to exceed \$25,000,000, and to accept or reject the interest rates and purchase price proposed by the Note Underwriter subject to the limitations set forth above.

Section 10. Approval of the Sale of Series A Bonds, the Bond Purchase Contract: and the Bond Underwriter.

(A) The Series A Bonds shall be sold to the Bond Underwriter at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Series A Bonds to fit the needs of particular purchasers, and a greater opportunity for the Bond Underwriter to pre-market the Series A Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The form of Bond Purchase Contract, substantially in the form presented to this meeting and on file with the Clerk of this Board, is hereby approved. Prior to the sale of the Series A Bonds, any one of the Authorized Officers may select one or more additional underwriting firms to serve as co-managers with E.J. De La Rosa & Co., Inc. for the sale of the Series A Bonds.

(B) In connection with the sale of the Series A Bonds, each of the Authorized Officers is hereby authorized to execute and deliver the Bond Purchase Contract substantially in the form presented to this meeting, with such changes therein, deletions therefrom and modifications thereto as the officer executing the same may approve, such approval to be conclusively evidenced by his or her execution and delivery thereof; provided, however, that the maximum interest rate on the Series A Bonds shall not exceed that authorized at the Bond Election and the Bond Underwriter's discount with respect to the Series A Bonds, excluding original issue discount and costs of issuance to be paid by the Bond Underwriter, shall not exceed 1.5% of the principal amount of the Series A Bonds. The Authorized Officers, each alone, are hereby further authorized to determine the maximum principal amount of Series A Bonds to be specified in the Purchase Contract, up to \$40,000,000, and to accept or reject the interest rates and purchase price proposed by the Bond Underwriter subject to the limitations set forth above.

Section 11. Preliminary Official Statement and Official Statement for the Notes and the Series A Bonds. The Board hereby directs the Authorized Officers to prepare a Preliminary Official Statement for each series of the Notes and for the Series A Bonds and to present such Preliminary

Official Statement to this Board for approval prior to the issuance of the related series of Notes or the Series A Bonds

Section 12. Continuing Disclosure Certificate. The Board hereby directs the Authorized Officers to prepare a Continuing Disclosure Certificate providing for the annual disclosure of certain financial and operating data of the District in order for the Note Underwriter or the Bond Underwriter, as applicable, to comply with its obligations under Rule 15c2-12 promulgated by the Securities and Exchange Commission. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of those certain Continuing Disclosure Certificates executed by the District in connection with the issuance of the Notes or the Series A Bonds. Any owner of the Notes or the Series A Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not constitute a default hereunder or result in acceleration of the Notes or the Series A Bonds.

Section 13. Supplemental Resolution.

(a) This Resolution, and the rights and obligations of the District and of the owners of a series of Notes issued hereunder, may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners owning at least 60% in aggregate principal amount of the outstanding Notes of such series, exclusive of Notes, if any, owned by the District; provided, however, that no such modification or amendment shall, without the express consent of the owner of each Note, affected, reduce the principal amount of any Notes, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the owners are not directly and adversely affected by such amendment or modification.

(b) This Resolution, and the rights and obligations of the District and of the owners of the Notes, issued hereunder, may be modified or amended at any time by a supplemental resolution adopted by the District without the written consent of the owners:

(i) To add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(ii) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(iii) To confirm as further assurance any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(iv) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(v) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not adversely affect the interests of the owners of the Notes and Series A Bonds, respectively.

(c) Any act done pursuant to a modification or amendment so consented to shall be binding upon the owners of all the Notes of the series for which such consent was obtained and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent of either from taking any action pursuant thereto.

Section 14. Resolution To Constitute Contract. In consideration of the purchase and acceptance of any and all of the Notes authorized to be issued hereunder by those who shall own the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the District and the owners from time to time of the Notes; and the pledge made in this Resolution shall be for the equal benefit, protection and security of the owners of any and all of the Notes, all of which, regardless of the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the Notes over any other thereof.

Section 15. Unclaimed Moneys. Anything in this Resolution to the contrary notwithstanding, any moneys held by the Paying Agent in trust for the payment and discharge of any of the Notes which remain unclaimed for two (2) years after the date when such Notes have become due and payable and moneys were held by the Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Paying Agent after said date when such Notes become due and payable, shall be repaid by the Paying Agent to the District, as its absolute property and free from trust, and the Paying Agent shall thereupon be released and discharged with respect thereto and the owners of such Notes shall look only to the District for the payment of such Notes; provided, however, that before being required to make such payment to the District, the Paying Agent shall, at the expense of District, cause to be mailed to the owners of all such Notes, at their respective addresses appearing on the registration books, a notice that said moneys remain unclaimed and that, after a date in said notice, which date shall not be less than thirty (30) days after the date of mailing such notice, the balance of such moneys then unclaimed will be returned to the District.

Section 16. Defeasance. All or any portion of the Notes may be defeased prior to maturity in the following ways:

(a) **Cash:** by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which together with amounts then on deposit in the Debt Service Fund is sufficient to pay all Notes designated for defeasance, including all principal and interest and premium, if any; or

(b) **Government Obligations:** by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations (defined below) together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Notes

designated for defeasance (including all principal and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Notes shall not have been surrendered for payment, all obligations of the District with respect to all such designated outstanding Notes shall cease and terminate, except only the obligation of the Paying Agent or an independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Notes not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or "prerefunded" municipal obligations rated in the highest rating category by Moody's Investors Service or Standard & Poor's. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed "AAA" by Standard & Poor's or "Aaa" by Moody's Investors Service.

Section 17. Delivery of Notes and Series A Bonds. The proper officials of the District are hereby authorized and directed to deliver the Notes to the Note Underwriter in accordance with the Note Purchase Contract and to cause the County to deliver the Series A Bonds to the Bond Underwriter when issued. All actions heretofore taken by the officials and agents of the District with respect to the sale and issuance of the Notes and the Series A Bonds are hereby approved, confirmed and ratified, and the officials of the District are hereby authorized and directed, for and in the name and on behalf of the Board, to do any and all things and take any and all actions and execute and deliver any and all certificates, agreements and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Notes and the Series A Bonds in accordance with this Resolution.

Section 18. Legislative Determinations. The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Notes and the Series A Bonds in order to make them legal, valid and binding obligations of the District have been performed and have been met, or will at the time of delivery of the Notes and the Series A Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes or the Series A Bonds.

Section 19. Further Actions Authorized. It is hereby covenanted that the District, and its appropriate officials, have duly taken all actions necessary to be taken by them, and will take any additional actions necessary to be taken by them, for carrying out the provisions of this Resolution.

Section 20. Recitals. All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.
